**Sunday, October 23, 2016
from 2:00 p.m. to 4:00 p.m.
The Ballroom, Inn at Spanish Bay**

Pebble Beach: Then and Now. A Century of Elegance

Robert Devlin and Gregory Berkin will present a pictorial view of over one hundred years of automotive history, racing and socializing at the Pebble Beach Lodge, the Hotel del Monte, the Pebble Beach Concours d'Elegance and the famous 17 Mile Drive. Presented through still photographs, rare films and other archives, this presentation will illustrate the vibrant culture of the Pebble Beach and Monterey area highlighting stories of captains of industry and their illustrious lifestyles.

And an update by Debbie Hale and Grant Leonard of the Transportation Agency for Monterey County (TAMC) on construction and scheduling for the Holman Highway Roundabout

All 2016 DMFPO members are welcome to attend

There will be a question and answer period at the conclusion of the presentations
Complimentary beverages and light refreshments will be provided at the reception following

DEL MONTE FOREST PROPERTY OWNERS

1. Then and Now: Robert Devlin published/authored the feature article in the 2015 Pebble Beach Concours Program on the Ferraris that Raced at Pebble Beach circa 1951-56. He has an extensive collection of Julian P. Graham and William C. Brooks photos taken at the races as official photographers.

Gregory Berkin is a director and producer of historic documentaries and feature films for over 30 years. Greg founded one of the first educational software companies for the Apple Macintosh Computer in 1984. He is an avid historian who is passionate about the history of Pebble Beach and the Monterey area and is currently working on a documentary film.

2. Hwy 68 Roundabout Project: Debbie Hale, TAMC Executive Director is currently focused on increasing transportation funding for projects in Monterey County. She was awarded the 2016 Professional Transportation Manager of the Year by the American Public Works Association.

Grant Leonard, Transportation Planner specializes in highway planning, motorist assistance, and construction related public outreach. He is the main point of contact for Holman Highway 68 Roundabout Project construction related information.
