

## Most Frequently Asked Questions for DMF Residents

### 2019 U.S. Open at Pebble Beach

June 10 – June 16, 2019

---

#### **Will my Del Monte Forest emblem grant me access into the Forest during Championship week?**

Yes, residents will have normal access through the gates with their 2019 Del Monte Forest emblems. The same is true for your gardeners, housekeepers, caretakers, and others with 2019 annual gate card passes. Old, expired emblems or cards will not grant access. If your service providers and contractors do not have a current annual gate pass, they will not be allowed in. To obtain a 2019 emblem or card, call Pebble Beach Company at (831) 649-2761.

#### **How will my guests get to my home?**

If you have guests visiting during the week of the U.S. Open, Pebble Beach Company will issue up to five temporary gate passes for your guests to gain access to the Del Monte Forest. You may request your guest passes online at <http://www.pebblebeach.com/2019gatepass>, or by calling the U.S. Open Championship Office at (831) 625-8419.

- These temporary gate passes will allow your guests to access the Del Monte Forest and park at your residence. Gate passes are not a parking credential and cannot be used to park on the street or in any of the U.S. Open parking locations.
- While we strongly encourage you to order temporary gate passes, the normal procedure for clearing your guests at the gates through our Security Department will also remain in place during Championship week.

#### **When will we receive our Access Passes?**

We will mail the requested number of gate passes to you in mid-May. Upon receipt of the gate passes, please issue them to your guests in advance of Championship week. Gate access passes are not tickets or parking passes for the U.S. Open.

#### **Will all resident lanes be open at the gates? And which gates will be the best for DMF residents to use?**

Yes, resident lanes will be open all day and during peak hours. To reduce congestion at the gates during the week, 17-Mile Drive will be closed to all tourist traffic. The vast majority of U.S. Open ticketholders will park in off-site locations such as CSUMB. Peak hours for Championship traffic are expected generally from 7:00 to 11:00 AM and 3:00 to 8:00 PM. The best gate to use will most likely be the one closest to your home, and it is advisable to travel during non-peak hours during the week.

- The Highway One gate will be the main entry point for spectator buses to/from CSUMB.
- The Country Club and Pacific Grove gates will be the main entry point for shuttles and cars from Pacific Grove.

- Cars will also be entering through the SFB Morse gate and the Carmel Gate.
- The Carmel gate will be heavily used by pedestrians walking in from Carmel.

### **What is the best way for DMF residents to get to the Championship?**

A ticket is required to attend the Championship. Residents who purchase tickets from the DMF website portal: [www.usga.org/delmonteforest](http://www.usga.org/delmonteforest) (using the promo code: 2019dmfr) will receive a parking pass to park along 17-Mile Drive near Spanish Bay. From there, you will be shuttled to the main admission gate, located at the old driving range on Forest Lake Road. Alternatively, residents may be dropped off at the designated Passenger Drop-Off, also located near the main admission gate on Forest Lake Road. **No drop-offs or pick-ups are allowed at the other Championship entrances near the Carmel gate or The Lodge.** Your tickets and parking pass will be mailed to you if you purchase before 5/31; after 5/31, tickets will be at Will Call.

### **Can DMF residents use Uber/Lyft/Taxis?**

Yes, Uber/Lyft/Taxis will be allowed into DMF, and residents may use those services to be dropped off near the Main Admission Gate to the Championship. No drop-offs are allowed at the other Championship entrances.

### **Will the Post Office and Market be open?**

Yes, though your route to and from the Post Office and Market will be different. 17-Mile Dr. in front of the Visitor Center will be one-way from Alva Lane to the top of Peter Hay Hill. Therefore, if you usually go down Peter Hay Hill to get to the Post Office, you will instead need to follow the route highlighted in yellow on the attached map. Road closures are highlighted in red. The Market will offer a streamlined Championship menu.

### **Driving Routes within the Forest:**

Lodge area residents may by-pass much of the U.S. Open traffic by taking **Drake Road-Stevenson Drive-Bristol Curve then turning on to Forest Lake Road near Stevenson School** and heading on to one of the Pacific Grove gates. 17-MD through the Pescadero Canyon will remain open for local traffic throughout the Championship, but will be heavily used by cars and buses entering and exiting the Forest through the Hwy One gate, especially in the early morning and late afternoon hours.

### **Detours & Road Closures:**

The segment of 17-MD located between both ends of Crespi Lane will be closed to through traffic from Mon 6/10 to Sunday 6/16 between 5:00 AM – 9:00 PM. All traffic, except for residents who live on this segment of 17-MD, will be detoured to Crespi Lane during this period. Road closures are highlighted in red on the attached map.

### **Questions?**

Call our U.S. Open Championship Office at (831) 625-8419. We will be happy to answer your questions.
